Job Description

Uist Energy in Motion Local Development Officer (LDO)

Reporting to

Urachadh Uibhist and the UEiM Steering Group (North Uist Development Company, Cothrom & Community Energy Scotland)

Main Purpose

Development and implementation of the Uist Energy in Motion project

Main Tasks

- Create information resources for the community on electric vehicles and keep this refreshed and up to date
- Disseminate advice & information to the Third Sector in Uist on EVs
- Create, develop & update EV displays in Claddach Kirkibost & Cothrom for residents to learn about EVs
- Liaise regularly with Community Energy Scotland, who will provide project support and dissemination through their “Ideas Bank” initiative
- Set up several EV demonstration events at Cothrom and Claddach Kirkibost
- Procure & project manage the installation of EV chargers at Cothrom & Claddach Kirkibost
- Provide advice and support to local garages to engage in EV training
- Provide advice and contacts to local companies in engaging with the installation of home EV chargers
- Ensure high standards of governance in all activities

Location

To be based at Claddach Kirkibost in North Uist and work regularly with Cothrom in Ormiclate, South Uist.
